

TellicoLife Vision and Strategy

Our vision is to become the one on-line place to go for all activities/events in Tellico Village

Value to Residents

- Consolidated Calendar
- On-line membership—join and renewal
- On-line event sign-up
- Payment by check or credit card
- Access to multiple clubs and services from one site
- Privacy protected membership directory, email and networking

Value to Clubs & Organizations

- Access to 4500+ individuals from 2400+ households and growing
- Professionally hosted, state of the art, web-based membership management software - at a fraction of the cost
- **TellicoLife** technical support—for your club and your members'
- On-line membership management and member maintained profiles
- On-line event sign-up and payment
- Easy email communications
- Private Facebook-like community for your Club members (circles)

Clubs and Organizations see **TellicoLife** participation as providing opportunities to grow their membership, grow their event attendance, easily communicate with active villagers, at a lower cost, with reduced administrative demands from your busy club volunteer leaders

We are not affiliated with the POA or Next Door
